Hev-wood
Industries (Pvt) Ltd.
Door manufacturers

Our Standard door sizes:

- Width 27"(687mm), 30"(763mm), 33"(839mm), 36"(916mm) or 42"(1068mm)
- Height 81"(2060mm)
- Thickness 1.25"(32mm)

Customers receive an 8-year warranty covering manufacturing defects and damages from raw materials for added assurance.

Why are we special?

- The interior frame of the door is being manufactured using rubber wood submerged in a boron solution and dried using the kiln method.
- One door weighs more than 20kg
- Doors are being pressed under high heat using hydraulic press making sure they are suited for any weather condition.
- Doors meet all international standards.
- Manufactured by a staff with more than 10y experience to provide quality service.
